This form must be completed and returned to the Architectural Control Committee Chairman BEFORE any work can begin on the proposed project. The committee will then check the plan and return the form to you with their decision. If approved, you may then send a copy of the approval to RICH COUNTY BUILDING INSPECTION DEPARTMENT, RANDOLPH UT 84064 for your county building permit. Please then return a copy of the county permit to the ACC chairman.

A drawing with lot measurements, setback measurements, and construction details is required. Please complete the drawing on the reverse side of this form if possible. If not attach additional sheets to this form.

WARNING!!!!

Work done prior to WRITTEN approval from the committee, is at your own risk!

Verbal approval from a single individual is not binding!
